The Newly Established "Radio" Course.

Three Army and Navy Instructors Engaged.

The course in Wireless Telegraphy began its sessions Tuesday evening, September 16th.

The school has retained Captain R. S. Wheaton of the Signal Section of the U. S. Reserve Corps, Lt. W. J. O'Conner and B. F. Laidlow, Chief Operator, U. S. Naval Reserve as instructors.

The Milwaukee Amateur Radio Club held a meeting at the school after the regular instruction Tuesday evening.

Great interest is being manifested in this new department. Students of the School of Engineering are enrolling, as the classes are arranged to permit their doing so without interfering with their studies.
